

SHIRT ■ @LadySideshow *Fri Oct 21 21:32:22 +0000 2022*

I used to be friends with this Chinese girl. She married a white guy and when I asked her what her mom said about him not being Chinese, she said her mom was like at least he's not black

I think of this story every time someone says black people are the one's keeping racism alive bc we won't stop talking about it

I'm muting but not without a shameless plug ■ <http://shopwithlooks.com>
