Message from your Dasher

Restaurant is confused as to what you want on your order.

I didn't reply

THEY DELIVERED AN EMPTY WRAPPER!!!! <https://t.co/hdqGIPd17m>

haters will say it's fake so I recorded the unboxing <https://t.co/ei4bfWGviX>

I tipped the dasher \$6 so I effectively paid \$15 for a lack of cheeseburger

capitalism is so wild

I've seen like three people complain about me ordering a nothing burger so lemme clarify: my local McDonalds pays its staff \$15/hr. I am being a job creator

I also literally saved a cow's life by ordering a McNothing instead of a burger
