SOUTH KOREAN ELECTION GRAPHICS ARE NEXT LEVEL

SBS starts us off with an adorable but faceless bear <https://t.co/R4pd3tw53Z>

The cute bear is very talented — it plays the guitar, directs traffic, dances, and helps tiny people put mail in giant drop boxes <https://t.co/Fdh9uE6qjQ>

OMG <https://t.co/v6NTO2fXVJ>

Now we get to see the actual presidential candidates — but this cute segment is so tame compared to what's next <https://t.co/qpSqBj0coZ>

HERE WE GOOOOOOOOOO <https://t.co/kGJriHfFKD>

The top two presidential candidates compete in epic winter sports <https://t.co/04NQTFxr6I>

■ <https://t.co/LICjzYFaU6>

Now we're launched into a chase for cards that gives me spy thriller vibes <https://t.co/hJC02jn8Is>

Honestly don't know where to begin with this one <https://t.co/PZuSzYUHU0>

In this segment, you get to watch the candidates hold up cards with :(or T_T <https://t.co/ZtEa8dBil2>

THIS IS GLORIOUS <https://t.co/GkK1VorFOJ>

Now the candidates are dancing and driving cool cars as "Next Level" by aespa rages in the background <https://t.co/YesJcZUJJ2>

■ wholesome/semi-romantic campfire and stargazing vibes??? ■ <https://t.co/9s9r0bmt3K>

watching the sunrise ■ <https://t.co/kdV2LDFI8j>

the candidates inside a toy claw machine <https://t.co/ezJ9BKz4F7>

■ ■ ■ <https://t.co/NxpcW6P5b0>

A more traditional presentation of election results, merged with a music video <https://t.co/Tj625PJynE>

This production value ■ ■ ■ <https://t.co/LSZUI4bvrQ>

The other networks aren't going all out like SBS, but Yonhap has this <https://t.co/Wp9GyzaHV0>

MBC is going with some sort of magical card theme <https://t.co/vQ6VieMdw4>

I absolutely love KBS's election intro... but the animated people don't have eyes and that freaks me out :0 <https://t.co/MDLr3WjxQY>

■ Candidates + finger hearts on KBS ■ <https://t.co/wCSI75kyU2>

omg i recognize the bear now <https://t.co/TZ0SzTduxB>

It looks like we have a winner <https://t.co/VzAMLkN6IM>

ending this ■ where it began: with the cute SBS bear <https://t.co/r9NuqSKzcv>

Bonus thread ■ <https://t.co/bpNzvnxpmV>
