Enough talk about the good times on this website, let's talk about the dumbest moments on this website. I'll start: that time people thought there were two drills and the second one was much less funny

Keep them coming, let's remember the stupid things about Twitter

I'm getting a wide variety of responses, some I'm entirely familiar with and some I don't have the slightest clue about, which is fun because it just proves this website is huge and full of infinite grievances

The Gretchen deal is utterly mind blowing <https://twitter.com/rachelmillman/status/1591258063004000256>
