#SeditionHunters - Thursday's arrest of Alan Hostetter highlighted extremism in Orange County, CA, but even he is junior-league. We knew OC would send their finest, and here he is, the highest-profile **#SeditionVIP** yet: former U.S. Congressman Dana Rohrabacher (R-CA 42). 1/ <https://t.co/yJDdR5aR4T>

In 2016, House majority leader Kevin McCarthy (R-CA 23) famously said "There's two people I think Putin pays: Rohrabacher and Trump." On Jan 6, Rohrabacher roamed the Capitol all day with a guy in a giant ushanka hat. Is this epic trolling by Russia? 2/

Rohrabacher's been a fervent defender of Putin and Russia, lost his seat in the 2018 election. On Jan 6 he joined the attack on his former colleagues with his pal **#RohraBoris**, arriving early at the E. Plaza, then moving West by 2:50 PM, in time for the fighting at the tunnel 3/ <https://t.co/zRdfp3QFJC>

Could he be disloyal? @anneapplebaum: he's "the living, breathing embodiment of the moral corruption that has seeped into a part of the Republican Party foreign policy establishment..[that] stopped caring about U.S. leadership of the democratic world" 4/

<https://t.co/PGepb1hLoy>

Rohrabacher is tied to ther OC seditonists. Here he is with Alan Hostetter in Dec. 2020 calling for revolution against "Communists...Marxist-Leninists who are trying to destroy the integrity of our voting system". No, Dana, voters just didn't like you. 5/

<https://t.co/LcO3DeuNd2>

LA Times warned of OC extremism in March: "A year of right-wing protests in OC...spiraled into increasingly violent language against ever larger foes". In DC on Jan 5, "a band of radicals invoked 'biblical war' [and] 'shedding of blood' ". 6/

Will Rohrabacher be the limit for our Senators, that gets us an investigation? In OR, lawmakers found their line last week: after video surfaced of a state rep. letting attackers into the statehouse in Dec. 2020, all 59 colleagues voted to expel him. 7/

Update on Rohrabacher's district, h/t [@BarbaraHamrick](#). CA districts shifted, so Rohrabacher was successively in CA-42, 45, 46, 48.

Rohrabacher has so much shocking stuff the thread could go forever; just a few more goodies. First, poster for 12/2020 Huntington Beach rally 11/ <https://t.co/r4zC8rwL9g>

Second, more fine company for Rohrabacher: Oliver North + disgraced IA ex-Rep. Steve King, stripped of his committee assignments for open affiliation with white supremacy, lost in 2020. Might look for him on 1/6 too. 12/

Congressmen Dana Rohrabacher and Steve King in Kurdistan. The only two of 435 members of congress with the testosterone to come see the truth.

Third, a nice summary by ABC news of Rohrabacher's Russian contacts including convicted Russian agent / honeypot Maria Butina, famous for infiltrating the NRA. Yes it all sounds like a Tom Clancy novel; sadly it is real. 13/

And a quick note to any journos who want to report this - the way to refer to the people responsible for these findings is as "OSINT researchers" or "OSINT investigators". Not "citizen sleuths". 14/

On Jan 6, former U.S. Congressman Dana Rohrabacher (R-CA) watched the fighting from the W. Capitol lawn, far past the breached police barricades, for well over an hour. Adding here highlighted clips + higher-res links for 3 videos that confirm his presence 15/ **<https://t.co/uyDKghVdYY>**

1:58 PM (Parler). At this point the mob has just broken through the police lines under the NW Scaffold.

Betw. 3:00-3:03 PM (timing estimated from flags on terrace). At this point attackers are already inside the Capitol but the violent tunnel fight has only just started.

Video is key to understanding the Jan 6 attack, & there is a lot of it. #SeditionHunters have identified & saved 13,300 non-Parler & 6000 Parler videos (2460 & 100 hours). Our 2 amazing film editors have helped sync it & made incredible reels & clips. 19/

<https://t.co/XtaojMGRWw> <https://t.co/l7YyVLr4t6>

..but two editors is not enough. When the U.S. came under attack in WWII, the biggest directors in Hollywood - Capra, Ford, Stevens, Huston, Wyler, with 20 Oscars in total - stepped up to help. Now the U.S. needs film editors. @MPEG700 has 8000 members. Contact us! DMs open. 20/ <https://t.co/LZrnu3NI16>
