oh my god i did not intend on this many people seeing this ugly ass picture of me from when i was 10

ok so i actually went by the date of when my grandfather posted the pictures on facebook but i realized there's probably no way i was in middle school during this visit so it actually might have been august of 2009! **<https://t.co/BaZcZySObD>**

hi guys we dm'd and they sent me a picture of them from back then and they've been found!!!!!! thank you!
